

Join **Great Parks of Hamilton County**, **Great Parks Forever**, and **Cincinnati Pops Orchestra** for a summer concert under the stars – and reach an engaged audience.

For one night only in summer 2019, Cincinnati Pops Orchestra will take the stage to perform a free concert for **3,000+ people** at Woodland Mound, a Great Park of Hamilton County. On the banks of the Ohio River, the natural beauty of Woodland Mound provides the perfect backdrop, making this community event even more meaningful and memorable. In years past, this event has drawn a diverse audience of young families, empty-nesters, and seasoned adults.

You have a unique opportunity to reach this captive audience with an advertisement in the concert program. More than 80% of attendees will arrive hours before the concert begins to choose a prime viewing spot. By placing an ad in the full-color, professionally-printed program, your company will be in front of this audience for much longer than typical events.

Ad spots are limited. Secure your spot today. An order form is enclosed for your convenience.

Guests enjoy visiting sponsors' booths... meeting Great Parks' mascot, Parky... and arriving early to secure a great view.

Sponsorship opportunities are also available for this unique community event. Benefits include recognition on postcards mailed to 2,500 households, tickets to a pre-concert VIP reception, booth space at the event, and complimentary Great Parks perks.

To learn more about sponsorship opportunities, contact Alicia Culman at 513-245-7456 or alicia@greatparksforever.org or visit GreatParksForever.org/legacies.
