What happens when we're all naturally invested?

Gather Places

By investing our time, talents, and resources into natural spaces, we can enrich our lives and strengthen our social fabric to create opportunities for our paths to cross.

Play Spaces

By cherishing and protecting our shared bigger backyard, we can empower all to explore their own personal frontier.

Balance Paces

By preserving shared natural spaces for our bodies and minds, we can create healthier, happier human experiences for all.

ROOTBALL

GREAT PARKS FOREVER

Root Ball 2019
 Friday, September 13
 Memorial Hall, OTR

Consider the Root Ball a gala event with a rustic twist. Guests trade suits and gowns for jeans and boots at this autumn dinner event. At the inaugural Root Ball in October 2018, guests raved about the relaxed atmosphere, the superb catering, and the focus on Great Parks Forever’s mission.

The Root Ball raises funds for Great Parks Forever’s efforts to translate an early conservation promise into everyday experiences and lasting legacies. Honorary Chair, H.C. Buck Niehoff described the event this way, “When I heard about the event, I said that its name was unusual and I asked what it meant. The answer is that it refers, quite poetically, to the ball of roots on a newly planted tree. The roots give nourishment to the tree and allow it to grow, in the same way that all of you do with your extremely generous support of Great Parks Forever.”

The Root Ball provides a perfect opportunity to impress valuable customers, excite new clients, and give your brand exposure to high-wealth attendees who participate in our community. The Presenting Sponsor has the exclusive opportunity to address the audience, highlighting your company’s philanthropic philosophy.
